AWARDS

First place in graduate student poster competition, 2024

All - University of California Demography Conference

For poster "Examining the changing relationship between stillbirth and early neonatal mortality"

First place in graduate student poster competition, 2023

All - University of California Demography Conference

For poster "Quantifying pregnancy and pregnancy loss in the demographic study of population health"

Best Poster Award, 2023

Population Association of America (PAA)

For poster "Examining the changing relationship between stillbirth and early neonatal mortality"

Dorothy S. Thomas Award for the best graduate student paper on the interrelationships among social, economic, and demographic variables, 2021
Population Association of America (PAA)

Shared with Sangita Vyas and Aashish Gupta, for our co-authored paper, "[Social disadvantage, economic inequality, and life expectancy in nine Indian states](#)"

Jeroen Ensink Memorial Prize for an original paper submitted by early career researcher, 2016

Waterlines journal

Shared with Dean Spears and Diane Coffey, for our co-authored paper, "[Can collective action strategies motivate behavior change to reduce open defecation in rural India?](#)"

GRANTS AND FELLOWSHIPS

University of California Dissertation-Year Fellowship, 2024-2025
University of California, Berkeley, Graduate Division

Summer Dissertation Writing Grants for Advanced Arts and Humanities and Humanistic Social Sciences Students, 2024
University of California, Berkeley, Graduate Division

Dissertation Research Grant, 2022-2023
University of California, Berkeley, Center on Contemporary India

Junior Research Fellowship, 2022
American Institute of Indian Studies (AIIS)

David and Aileen Wang Family Fellowship, 2021-2022
University of California, Berkeley

Catherine and William L. Magistretti Graduate Fellowship, 2020-2021
University of California, Berkeley

National Institute on Child Health and Human Development Training Grant, 2018-2023
Department of Demography, University of California, Berkeley

Pre-Dissertation Research Grant, 2020
Institute of International Studies, University of California, Berkeley

Maharaj Kaul Memorial Grant, 2020
The Institute of South Asia Studies, University of California, Berkeley

Regents Scholar, 2001-2005
University of California, Berkeley

ACADEMIC PRESENTATIONS

"Examining the changing relationship between stillbirth and early neonatal mortality."

- All-University of California Demography Conference (poster). 2024.
- Population Association of America Annual Meeting (poster). 2023.

“Quantifying pregnancy and pregnancy loss in the demographic study of population health.”

- TEXPOP, Session: Health and social consequences of pregnancy. 2024.
- American Sociological Association Annual Meeting, Session: Population Processes. 2023.
- All-University of California Demography Conference (poster). 2023.
- Population Association of America Annual Meeting (poster). 2023.

“Examining trends and disparities in rates of stillbirth and first day mortality in India.”

- Population Association of America Annual Meeting (poster). 2024.

“The relationship between heat, humidity, and the prevalence of stillbirth in India.”

- Population Association of America Annual Meeting, Session - Age Dimensions of Environment, Morbidity, and Mortality. 2024.
- British Society of Population Studies Conference, Session: Demographic consequences of environment risks. 2022.
- Population Association of America Annual Meeting (poster). 2022.

“Population science implications of the inclusion of stillbirths in demographic estimates of child mortality.”

- British Society of Population Studies Conference, Session: Early life health and mortality. 2022.
- American Sociological Association Annual Meeting, Session: Morbidity and mortality. 2022.
- Population Association of America Annual Meeting, Flash Session - Pathways to Infant and Child Health and Mortality. 2022.
- IUSSP International Population Conference, Session: Creating and using international or historical datasets. 2021.
- Sociology of Development Annual Conference, Session: Global Health and Pandemics. 2021.

“Narratives of stillbirth and the production of stillbirth statistics in India.”

- American Sociological Association Annual Meeting, Session: Collective memory. 2024.
- Annual Conference of South Asia, Session: Science, Knowledge, and the Body in 20th and 21st Century South Asia, Panel: Counting Embodiment, Making Data. 2023.

“The state of stillbirth statistics in India.”

- Stillbirth Association of India National Conference. 2023.

“Interviewer gender effects on social attitudes and survey outcomes in a mobile phone survey in India.”

- Population Association of America Annual Meeting, Flash Session - Measurement of Concepts in Demographic Studies. 2022.

“Social disadvantage, economic inequality, and life expectancy in nine Indian states.”

- British Society for Population Studies Conference, Session: Social inequalities & mortality. 2021.
- American Sociological Association Annual Meeting, Roundtable: Health and Well-Being Across the Life Course. 2020.

“When women eat last: Discrimination and women’s mental health.”

- r.i.c.e. & IGC webinar on Gender and mental health in Bihar and India: Developing tools for effective measurement. 2020.

“Measurement of population mental health: Evidence from a mobile phone survey in India.”

- Population Association of America Annual Meeting (poster). 2020.

“Can more education reduce opposition to intermarriage? Comparing India and the U.S.”

- Population Association of America Annual Meeting (poster). 2019.

“Population density and the effect of sanitation on early-life health.”

- Water and Health Conference. 2014.

“Confronting the challenge: latrines and latrine use in India.”

- Water and Health Conference. 2014.

“What’s so communal about communities in rural India? Social distance, village conflict, and open defecation.”

- Water and Health Conference (poster). 2014.

“What doesn’t kill you makes you shorter: Evidence from two decades of improving sanitation and infant mortality in Bangladesh.”

- Delhi School of Economics Conference on Sanitation. 2013.

“Using willingness to pay data to inform the design of health insurance for the poor: evidence from micro-lending clients in Lagos, Nigeria.”

- Global Symposium on Health Systems Research. 2012.

TEACHING

DEMOG 110 Introduction to Population Analysis (Prof. Ayesha Mahmud). Graduate Student Instructor. University of California, Berkeley. Fall 2021.

DEMOG 210 Demographic Methods: Rates and Structures (Prof. Ayesha Mahmud). Graduate Student Tutor. University of California, Berkeley. Fall 2021.

Berkeley Formal Demography Workshop. Graduate Student Instructor. University of California, Berkeley. May 24-28, 2021.

DEMOG / ECON C175 Economic Demography (Prof. Josh Goldstein). Graduate Student Instructor. University of California, Berkeley. Spring 2021.

SERVICE

Mentorship:

- UC Berkeley Sociology Undergraduate Honors Thesis Mentoring Program: Program Coordinator (2022-2023); Graduate Student Mentor to one undergraduate each year on their senior thesis (2019-2020, 2020-2021, 2023-2024).
- UC Berkeley Social Science Research Pathways (SSRP) program: Graduate Student Mentor to two undergraduates each year (2022-2023, 2023-2024, 2024-2025).
- Bahunjan Economists Mentorship Program: mentored social sciences students from historically marginalized backgrounds in India applying for graduate school abroad (2021-2022, 2022-2023, 2023-2024, 2024-2025).

Discipline:

- Reviewer for IUSSP's International Population Conference 2025.
- Discussant for session: "Implications of long-term population change for environmental outcomes, economic development, and well-being." Population Association of America Annual Meeting. 2024.
- Chair for session: "Internal Migration, Reproductive Health, and Fertility." Population Association of America Annual Meeting. 2024.
- Discussant for session: "Survey Data Quality in Low- and Middle-Income Countries." Population Association of America Annual Meeting. 2023.
- Discussant for session: "Family Planning Policies and Politics." Population Association of America Annual Meeting. 2022.

Guest lectures in courses:

- Researcher panel for PhD candidate Kanika Sharma's course "Gender, Society, and Health: Global Perspectives" at Emory University. 2022.
- "Mobile Phone Survey Methods for Measuring Social Discrimination" for Professor Reetika Khera's class on research methods at Indian Institute of Technology (IIT) Delhi for PhD and Master's students. 2021.
- "COVID's disproportionate effect on minority populations" for Summer Math and Science Honors (SMASH) Academy, a program engaging low-income students of color in STEM. with Vincent Fan. 2020.

Workshop organization:

- Co-organized UC Berkeley Department of Sociology's Gender and Sexuality Workshop, 2021-2022.

Conference organization:

- Co-organized r.i.c.e. & IGC webinar on Gender and mental health in Bihar and India: Developing tools for effective measurement. 2020.

Journal refereeing:

- Population Studies, Population Research and Policy Review, Population & Environment, Scientific Reports, PLOS One, Journal of Population Ageing, Feminist Economics, Studies in Family Planning, PLOS Global Public Health, BMC Women's Health, Journal of Development Studies, The Journal of Water, Sanitation & Hygiene for Development, Waterlines, Water Policy, Urban Studies, Indian Journal of Human Development, Institute for Development Studies, Economic & Political Weekly.

**PROFESSIONAL
EXPERIENCE**

r.i.c.e., a research institute for compassionate economics. Research Fellow. September 2018 - present.

r.i.c.e., a research institute for compassionate economics. Managing Director, Delhi, India. April 2014 - August 2018.

World Bank Water & Sanitation Program. Knowledge Broker, South Asia Region, Delhi, India. March 2013 – April 2014.

Abt Associates. Senior Analyst, International Health Division, Cambridge, MA. February 2012 – March 2013.

Sakhi for South Asian Women, Economic Empowerment Coordinator. New York City, NY. May 2010 – September 2011.

Jameel Poverty Action Lab (J-PAL). Research Assistant, Udaipur, Rajasthan, India. May 2006 – July 2008.

**FIELD AND
SURVEY
EXPERIENCE**

Narratives of stillbirth and the production of stillbirth statistics in India. 2021-present. A qualitative exploration of stillbirth experiences and measurement, unpacking how women's experiences, health worker practices, and bureaucratic decisions interact to produce India's official and administrative stillbirth statistics.

Testing survey-based methods for estimating mortality. 2021-2023, with Professor Dennis Feehan. A pilot survey done in conjunction with the International Centre for Diarrhoeal Disease Research, Bangladesh (ICDDR,B) in Matlab, Bangladesh, testing network methods for mortality and stillbirth rate estimation.

SARI (Social Attitudes Research for India). 2015-2018, with r.i.c.e. A phone survey tracking social attitudes over time and experiences of discrimination on the basis of gender, caste, and religion in India. Data and documentation available for download [here](#). *Hygiene, infection, and caste in government hospitals*. 2016-2017, with r.i.c.e. A qualitative study of hygiene maintenance in maternity services in public sector hospitals in Uttar Pradesh, Madhya Pradesh, and Bihar.

SQUAT (Sanitation, Quality, Use, Access, and Trends). 2013-2014, with r.i.c.e. A quantitative survey of sanitation beliefs and behaviors in 3,000 households in Haryana, Uttar Pradesh, Madhya Pradesh, Rajasthan, and Bihar. Data and documentation available for download [here](#).

Switching to sanitation. 2013-2014, with r.i.c.e. A qualitative study of motivations towards latrine use and non-use in 100 households in Haryana, Uttar Pradesh, Gujarat, and southern Nepal.
